

EUROPEAN HEADACHE FEDERATION - SCHOOL OF ADVANCED STUDIES (SAS)
May 01st - 2nd, 2025, Athens, Greece

The European Headache Federation (EHF) promotes the meetings of its own School of Advanced Studies (SAS). EHF-SAS is dedicated to physicians and researchers needing to improve their clinical expertise and their knowledge on the latest research trends in migraine. This meeting offers young clinicians and basic scientists high qualifying educational activities, enhancing their critical spirit and their skills to face the complex knowledge of clinical headache medicine, always in a multidisciplinary perspective. Candidates must present the right qualifications through the online application form in order to be admitted as Junior Fellow of the EHF-SAS. The number of participants is limited to 25 persons onsite. Applications, including CVs and letters of motivation, should be submitted to the organizing secretariat. Attendants of previous EHF-SAS meetings are not entitled to apply.

The EHF-SAS will offer full bursaries, including travel, accommodation, and meals.

INFORMATION

Lectures will last 30 minutes and will be followed by 15 minutes of interactive discussion. Attendants will be invited to participate in the preparation of SAS Invited Reviews to be submitted to The Journal of Headache and Pain. SAS fellows will be exempt from the registration fee and will be awarded with a Diploma during the SAS session of the EHC2025 in Lisbon.

VENUE

ATHINAIS HOTEL
99, Vassilissis Sophias ave.
